SUBJECT : Rev. Martin Luther King, Jr.

1. At the Attorney General's direction, a task force was established in May 1976 by the Office of Professional Responsibility of the Justice Department to review the activities of the Federal Bureau of Investigation in relation to the late Rev. 2. Pursuant to the Attorney General's directive, Justice is canvassing those investigative agencies of the Government which might have been contacted by the FBI to secure or deliver information for intelligence, for investigative assistance (before or after the assassination), or for any form of counterintelligence action in relation to Dr. King.

3. It is requested that a check be made of your records to determine the extent and nature of any contacts with CIA by the FBI in regard to the Rev. Martin Luther King, Jr.
